## \$300,000 Church Spurs New Building

Tri-City Park Tabernacle Boasts August Values To Near Million Mark

A building permit for a \$300,000 church building, obtained by Tri-City Park Tabernacle last week, sent construction values for the month of August to \$902,606, with a chance to top the million dollar mark.

The structure will be located at Duergers blvd. and Maryville road and will include 27 rooms and six baths in two stories. The building, set on four lots, will be of brick and block and will have 22,000 square feet of space.

The contractor is the Thompson Construction Co. of Granite City, and the architect is Hanner & Breitsweiser of Wood River. The church now is located at 12th and Meridian streets.

Fourteen permits were issued during the week with values of \$534,890. The totals for the month to date are \$1,000,000, nearly tripled usual August construction activity during recent years.

The upsurge gained impetus with issuance of a permit for the Granite City park district's new \$450,000 ice skating rink and recreation center earlier in the month.

### Permit for Home

One permit was issued to the H&S Construction Co., 3227 N. Meekins road, for a new home on lot 173, Shamrock Gardens, at a cost of \$30,000.

Permits for commercial purposes were obtained by Western Auto store, 20th and Grand avenues, for a billion dollar sign, \$2000; Frank Champion, to repair fire damage at the Maryland Bi-Rite supermarket, 100-40 Ponton road, \$1000; Bill's Auto Body shop, 2256 Madison avenue, in a \$100,000 addition, \$600; Glass Specialty Co., 2250 Madison avenue, a sign, \$500; and Mercer Funeral Home, 1416 N. Dearborn avenue, remodel exterior wall, \$2000.

### Garages, Carports

Receiving permits for garages and carports were: Victor Knowles, 2206 State street, a carport, \$225; Katherine Jones, 2621 Center street, a garage, \$1100; Mrs. L. B. Patton, 1201 Grand avenue, a garage and rebuild garage, \$1100; Joseph Stepanek, 2811 Benton, carport roof, \$200; Kenneth Fuller, 3184 3rd avenue, carport, \$600; and Russell Stages, 2629 Edwards street, a garage, \$1100.

Anthony Wiedhardt, 2332 East 27th street, obtained a permit to install siding and a storm door, a cost of \$800.

Granite's market, 2801 Madison avenue, received a permit to replace the Kennerly dry cleaners building, at the same location, at a cost of \$3000.

## 3 1/2% Boost In Assessed Valuation Scheduled

\$159,525,000 Total GC Values Subject to Review Board Action

Assessed valuation of Granite City township for 1966 was certified Friday by Assessor James Barton as \$159,525,000, an increase of 3 1/2% over the \$154,140,915 level as adjusted by the County Board of Review for 1965.

The \$5,384,700 increase just proposed by the assessor, still subject to Review Board action, is based on growth of the community. Barton told the Press-Record.

There is no general alteration of property values, he said. The increase in the overall total was attributed to new construction and to additions of size requiring building permits.

Taxes collected this summer were based on 1965 assessment. The new assessment books taken to the county courthouse in Edwardsville Friday list proposed 1966 assessed values for use in 1967 tax collections.

Under the taxing cycle, the grand total of assessment is considered by the county clerk in applying the levies of taxing bodies to determine tax rates. These rates are then applied to individual assessments to figure the amount of tax bills.

This process takes place during the fall and winter, with collection starting in the spring. Barton set real estate, land and locally-assessed railroad property at a total of \$93,245,780, up \$3,258,800 from the previous amount of \$90,986,980.

He listed personal property values at \$66,279,220, up \$2,126,010 from the previous total of \$64,153,210.

Real estate values thus scheduled to rise 3 1/2%, and personal property 3 1/2%.

## Labor Day Will Be Leisure Day

Construction on the ice rink at the recreation building which led to partial revision of Fourth of July plans at Wilson Park, is the primary reason for limiting Labor Day activities as well.

The area is pretty well torn up, said Park Superintendent Paul Schuler, "although the construction people do have fences erected. But we were still afraid that children might wander over there and somehow get hurt."

Outside of the usual number of family picnics and general relaxation of park visitors, Wilson Park will be the scene of the concluding games of a long Labor Day football tournament which is under way now with games every night.

Edwin J. Reiske, president of the Tri-City Trades Labor Council, AFL-CIO, said no special activities of any kind have been planned in observance of Labor Day.

There are approximately 2000 voters in the city of Venice.

The Venice city council called the special referendum at the suggestion of Dr. John E. Lee, mayor, after application of the rate limitation rulings cut property tax revenue this year to an extent that promises a sizeable deficit by the end of the calendar year.

Voters will ballot on: "Shall the maximum tax rate for the police protection fund of the city of Venice, Madison county, be established at 15 percent on full, fair cash value, instead of 12 percent, the maximum rate otherwise applicable to the next taxes to be extended?"

General Fund Proposed: "Shall the maximum tax rate for the general corporate fund of the city of Venice, Madison county, be established at 15 percent on full, fair cash value, instead of 12 percent, the maximum rate otherwise applicable to the next taxes to be extended?"

Shall the maximum tax rate for the street and bridge fund of the city of Venice, Madison county, be established at 10 percent on full, fair cash value, instead of 8 percent, the maximum rate otherwise applicable to the next taxes to be extended?"

In the police protection fund, the proposed new rate, on the basis of existing valuations, would raise \$97,128, an increase of \$13,368 above the available of \$13,862 available under the current maximum rate.

The proposed new rate in the second proposition, for the general fund, would raise \$140,458, an increase of \$78,716 over the \$76,735 available by the current rate.

Would Boost Street Fund: For the third issue, involving the street fund, the proposed new rate would provide \$45,630, an increase of \$22,290 over the \$23,340 raised under the current rate.

Polling places will be established by wards, as follows: Ward No. One—polling place at Odd Fellows hall, Second and Granite streets.

Ward No. Two—polling place at St. Paul, Broadway and Klein street.

Ward No. Three—polling place at Cory Corner Cafe, Mercedia and Douglas streets.

Ward No. Four—polling place at 100 Weaver street.

Mayor Lee, in speaking appearances before civic and church groups, has said that Venice will be confronted with a treasury deficit of approximately \$148,000 by the end of the current fiscal year, in April 1967, if the referendum issues fail of passage.

Even with passage of the proposed new rates, Mayor Lee said, the city will have a \$53,000 deficit, because of increased operating costs and the present level of tax rates.

Boys to Be Questioned On Madison House Fire: Madison police plan to question young boys who may have information regarding a fire in an unoccupied residence at 1914 Rhodes street at 11 a.m. Saturday.

A fire in the same house two weeks ago was put out with a bucket of water by neighbors, who said small boys were seen playing near the building a short time earlier.

The blaze gutted the upper part of the story-and-a-half brick dwelling. No damage estimate has been given by firemen.

The Madison department was called at 4:20 p.m. Friday to investigate a fire in a building at 2324 Wabash avenue, which a backfire had caused. Fire damage to the air filter of the auto of DeLoice Graham, 2317 Delmar avenue.

## Election In Venice Tuesday on Tax Rates

City Proposing Upward Revision to Provide More Operating Funds

A proposal to increase maximum tax rates of three municipal funds will be voted upon in a special referendum in the city of Venice Tuesday. Polling places will open at 8 a.m. and close at 6 p.m.

Voters will ballot on: "Shall the maximum tax rate for the police protection fund of the city of Venice, Madison county, be established at 15 percent on full, fair cash value, instead of 12 percent, the maximum rate otherwise applicable to the next taxes to be extended?"

## Man Injured Critically by Train; 33 Traffic Crashes

Traffic in the Quad-City area since Thursday afternoon has caused 11 injuries, with a total of 33 crashes recorded.

James Setzer, 23, Cahokia, was in critical condition at St. Elizabeth Hospital Friday after being struck by a train at the intersection of the bridge superstructure.

The entire front end of Setzer's car was wrecked and the engine was damaged, police said.

Setzer was taken by ambulance to the hospital, where it was reported he suffered severe cuts about the face and head.

He is still in critical condition today.

More than 200 residents of Eagle Park Acres gathered Saturday afternoon for the dedication of a new park site at Hill and Booker streets.

The five-acre tract was donated by Mr. and Mrs. W. J. Steele of Granite City, who presented the deed to officials of the Eagle Park Improvement Association.

In declaring the park officially open, Steele made a surprise announcement by naming the new recreation area Johnson Park, in honor of Cleveland L. Johnson, association president. The latter has long been recognized as the leader in numerous community betterment projects.

Prior to the dedication, association members had elected to name the park for his sons.

File Granite City real estate dealer said, "I have been close to this community for several years, and I know as you now develop it into an area to be used for many years to come by you and your children."

Plans to equip and develop the park area currently are being made, including an initial landscaping survey. Johnson, who served as master-of-ceremonies at the dedication, announced earlier that he intends to confer in Chicago on Sept. 9 with the Department of Housing and Urban Development to obtain several aid for facilities and improvements.

Johnson combined the ribbon-cutting ceremony with a community picnic, sponsored by the Eagle Park Anti-Poverty group, led by Mrs. Hortense

## Traffic Management Instruction Planned

Registration for fall quarters non-degree credit night courses in the Traffic Management Program of the Technical and Adult Education Division of SIU-SW will be held Thursday evening, Sept. 8, from 6:30 to 8 p.m. at the business office of SIU's East St. Louis center, 10th and Ohio streets.

The program, which may be completed in either two or four years, has a threefold objective: to improve performance on present transportation jobs and prepare the student for advancement; to furnish a complete working knowledge of Interstate Commerce Law, and to prepare candidates for the semi-annual examinations leading to certification by the American Society for Traffic and Transportation.

Included in the curriculum are both degree and non-degree courses, the former being part of the regular SIU academic program. Persons wishing to enroll for degree-credit courses this fall, if not already students, should apply for admission as soon as possible at the registrar's office on the Southwestern campus.

Courses to be offered during the fall quarter are Rates and Tariffs, Interstate Commerce Law I, and Introduction to Business Administration. Other courses included in the program are Interstate Commerce Law II and III, Traffic Management, Transportation, American Government, Principles of Marketing, Political Economy, Principles of Economics, Economic Geography, and Business Organization and Management.

Complete details of the program may be secured by calling SIU's Technical and Adult Division office at 682-3560.

## 2 North Western Rail Plans Remain Separate

The Interstate Commerce Commission last week denied petitions of the Soo Line Railroad and Railway Labor Executive Association to have the proposed merger of the Chicago and North Western Railway and the Chicago Great Western Railway consolidated with current Rock Island merger proceedings in Chicago.

In issuing its denial, the ICC said consolidation of the Great Western-North Western proposal with the Rock Island proceedings "would require an indefinite delay in decision in the instant proceeding and is not essential in affording due process to the parties of record in the disposition of those proceedings." The commission added that "indefinite postponement of the (Rock Island) decision would be unreasonable."

The ICC also set Oct. 12 as the date for oral arguments on the Great Western-North Western plan before the entire commission.

The proposed Great Western-North Western merger has already received a favorable recommendation by an ICC examiner.

The Rock Island proceedings have been underway at Chicago since May 4. The hearings concern the competing applications of Union Pacific Railroad and the North Western for merger with the Chicago, Rock Island and Pacific Railroad.

## Leonard Graduate of Navy Basic Training

Seaman Recruit Garry L. Leonard, 18, 1561 Johnson road, has graduated from nine weeks of Navy basic training at the Naval Training Center at Great Lakes, Ill.

In the first weeks of his service, he studied military subjects and lived and worked under conditions similar to those he will encounter on his first ship or at his first shore station. In making the transition from civilian life to Naval service, he received instruction under veteran Navy petty officers. He studied seamanship as well as survival techniques, military drill and other basic subjects.

## LYDIA CIRCLE MEETS WITH MRS. DANIELS

The Lydia circle of the Nameoki Methodist Church met Thursday afternoon in the home of the chairman, Mrs. Virginia Daniels, 3124 Colgate place, for the first meeting of the coming season.

Other new officers taking office at this meeting were Mrs. Mary Bailey, vice-chairman, Mrs. Luan Briner, secretary, Mrs. Ray Beas, treasurer, and Mrs. Doris Latrop, telephone chairman.

The meeting was opened with prayer by Mrs. Dorothy Luckert, followed by the lesson on the Lord's prayer presented by Mrs. Daniels, and plans were made for each monthly meeting of the year and the homes where they will be held. The circle plans to change its meeting time to 9:30 a.m. on a trial basis.

A letter from the Neighborhood House in East St. Louis was read, requesting usable clothing for an annual rummage sale.

More workers for the project also are needed. The Women's Society of Christian Service will hold its next meeting at the church on Sept. 12. Next meeting for the circle is planned for Sept. 15 in the home of Mrs. Doris Latrop, 2500 Pine avenue.

The meeting was closed with prayer by Mrs. Latrop. Others attending were a guest, Mrs. Eva Godwin, Mrs. Betty Millwee, Mrs. Edna Potts, Mrs. Lucille Russell, Mrs. Marion Whitaker and Mrs. Luan Briner.

MRS. DAVID L. JOHNSON, who was married Saturday at Bethel Community Church. She is the former Starvella Phelps, a daughter of Mr. and Mrs. Rolla F. Phelps, 3810 18<sup>th</sup> street.

## Johnson-Phelps Wedding Vows Exchanged Saturday

The wedding of Miss Starvella Phelps, a daughter of Mr. and Mrs. Rolla F. Phelps, 3810 B street, and David Leroy Johnson, son of Mr. and Mrs. Lester M. Johnson of Glen Carbon, took place Saturday evening at Bethel Community Church.

Rev. Robert Widlin officiated at the 6:30 ceremony, using the double ring service. A reception followed in the church annex.

Candles in branched candelabra lighted the church and bouquets of light and white gladioli and pom poms, together with greenery, decorated the sanctuary. White satin bows marked the family pews.

Mr. Phelps gave his daughter in marriage. She wore a gown of pure white silk organza designed with a natural waistline, a sash and neckline and long tapered sleeves. The floor-length sheath skirt was ornamented with side panels of lace and a cathedral train extended from a bow at the back waistline.

A veil of silk illusion was held in place with a silk organza rose sprinkled with seed pearls and crystals. The bride held a bouquet of white carnations, variegated ivy and lilies of the valley centered with a white orchid corsage.

Miss Leona Schaefer was maid of honor and Miss Diana Winter and Miss Glenda Phelps, the latter a cousin of the bride, served as bridesmaids.

Their gowns were made alike, differing only in color. They were of chiffon, floor-length, with natural waistlines, bateau necklines and elbow sleeves. Satin bows held in place flowing chiffon trains, and headpieces were satin roses etched with pearls and attached to circular nose veils.

The honor attendant was in rose, Miss Winter wore emerald green and Miss Phelps' gown was gold colored. They carried nosegays of white carnations tinted in colors to match the gowns.

A little flower girl, Patti Lea Phelps, the bride's cousin, wore a frock of white organza with a full skirt and a flowered headpiece. She carried a basket of flower petals. Leroy Wayne Flaughier Jr., a nephew of the bridegroom, served as ring-bearer.

Michael Collins was best man for Mr. Johnson and the list of groomsmen and ushers included Michael Mathews, Michael Myers, Garnet Phelps, a cousin of the bride, and Lloyd Miller Jr.

The bride's mother was attired in a two-piece dress of light blue lace over tulle, while the bridegroom's mother chose a dress of beige linen. Both wore matching accessories and white orchid corsages.

The newlyweds left after the reception for a honeymoon at the Lake of the Ozarks.

Both young people are graduates of local schools and the bride is employed in the Social Security office in Alton. Mr. Johnson is employed in Madison. Mrs. Mary Thompson presided over the guest book at the reception.

MRS. JAMES V. MORGAN. Her wedding took place Saturday evening at the Assembly of God Church in Maryville, Ill. A daughter of Mr. and Mrs. Homer Abernathy, 2308 East 24th street, the bride is the former Janice Abernathy.

## Miss Janice Abernathy, James Morgan Are Wed

An out-of-town wedding of interest locally was that Saturday evening at the Assembly of God Church in Maryville, Ill., of Miss Janice Abernathy, a daughter of Mr. and Mrs. Homer Abernathy, 2308 East 24th street, and James V. Morgan, whose parents are the Rev. and Mrs. Paul Morgan of Maryville.

The double ring ceremony was solemnized at 6 o'clock with Rev. E. A. Cope, pastor of City Temple in Granite City, officiating.

The church was decorated with white wooden arches trimmed in aquamarine and white, flanked with candles in branched candelabra and altar bouquets of white flowers. The candles were lighted by Miss Judy Singleton and Miss Kathy Nolen, cousins of the bride, dressed alike in turquoise.

Mrs. Virgie Collins presided at the organ and accompanied the vocalist, Carl Holten, as he sang, "The Wedding Prayer" and "Because." Mrs. Collins sang "Whither Thou Goest."

The bride's gown was made of Chantilly lace and silk organza over peau de soie. The molded bodice had a scalloped neckline sprinkled with sequins and long tapered sleeves.

The aisle-wide skirt over crinoline was fashioned with tiers of alternate layers of lace and organza, continuing into a cathedral train. The 12-foot train had deep scalloped ruffles of lace edged in sequins.

A forward headpiece was made of peau de soie, the petals delicately outlined with pearls. Tiaras and drop cascades of pale yellow carnations with yellow satin streamers.

Headpieces were flat satin bows secured to circular nose veils of illusion. They carried tear drop cascades of pale yellow carnations with yellow satin streamers.

Glenn Bradford served as best man and Baxter Crockarell and the bridegroom, the latter a brother of the bridegroom, were groomsmen. Steve Gipson and Willard Messer seated the guests.

The bride's mother wore a rose colored two-piece knit dress with black patent accessories and a corsage of pink and white carnations. The bridegroom's mother was in a dress of turquoise jersey with black accessories and a white and turquoise corsage.

A reception was held in the church hall directly after the service. Mrs. Gale Reining was in charge of the guest book.

The couple is honeymooning in the Ozarks. The bridegroom, specialist-four in the U.S. Army, is at home from the Panama Canal Zone and will return there at the expiration of his 30-day leave.

The bride graduated from Granite City high school and is now employed as a secretary in St. Louis. Mr. Morgan was graduated from Collinsville high school.

## MR. AND MRS. WILLIAM STOLL RESIDING HERE

Mr. and Mrs. William F. Stoll, who were married recently in Forest City, Ill., have returned to Granite City to reside.

The bride, the former Shirley Foste, is beginning her fourth year as a speech teacher at Collinsville Junior high school. She is a daughter of Mr. and Mrs. Clarence E. Foste of Forest City.

Mr. Stoll is a son of Mrs. William Stoll of Kirkwood, Mo., formerly of Granite City. He graduated from Granite City high school and St. Louis University. His bride received her education at Forman high school and Western Illinois University. She is a member of Sigma Sigma Sorority.

## Bride-to-Be Is Honored

Another of the fall brides-to-be honored at recent parties was Miss Sharon Stroyoff, who will marry James Engelke.

Saturday's party, a linen shower, was given by Mrs. James Henderson and Mrs. Henry Lueters at the Missouri Athletic Club.

Luncheon was served from a table decorated in pink and white and the guest list included Mrs. Joseph Stroyoff and Mrs. Wilbert Engelke, mothers of the bride and groom, Mesdames Nick Lombardi, Thelma Arms, Hilda Lombardi, Walter Padgett, Lucy Stucke, Mary Brackett, Irene Louis, Bess Louis, Walter Padgett Jr., Mary Tarpoft, Elvira Vesce, Adele Asadorian, Miss Mel McCormack and Miss Mae McCormack and Miss Stroyoff.

The Engelke-Stroyoff wedding will take place next month at St. John United Church of Christ.

dressed alike in floor-length gowns of aquamarine chiffon over tulle with long necklines dipping low in the back. The Empire waists had flat bows in front and the skirts were full and flowing.

Headpieces were flat satin bows secured to circular nose veils of illusion. They carried tear drop cascades of pale yellow carnations with yellow satin streamers.

Glenn Bradford served as best man and Baxter Crockarell and the bridegroom, the latter a brother of the bridegroom, were groomsmen. Steve Gipson and Willard Messer seated the guests.

The bride's mother wore a rose colored two-piece knit dress with black patent accessories and a corsage of pink and white carnations. The bridegroom's mother was in a dress of turquoise jersey with black accessories and a white and turquoise corsage.

## Coolidge in Rugged Work As Gridiron Drills Start

Coaches Tom Toncoff and Keith Parker had 80 ninth grade football players hard at work as Coolidge junior high's gridiron practice got well underway over the weekend.

By midweek Toncoff expects another 15 to 20 ninth graders. An expected 55 eighth grade griders will be reporting Thursday.

Practice, with full pads from the very start, has been a morning-afternoon routine—from 9 to 10:45 a.m. and from 3:30 to 5:30 p.m.

### "Rock and Roll"

"Naturally we've been doing a lot of conditioning," Toncoff said, detailing such things as push-ups, jumping jacks, rock and roll, sit-ups and stretching exercises.

The "rock and roll" is not of the Beatles variety—this is done lying face down with the body in a half-moon position, rocking back and forth on the stomach.

After group conditioning routines, Parker took the line players into separate drills—lots of shoulder rolls and work on stance, starting and blocking positions.

### Opener Sept. 22

Meanwhile, Toncoff had the backs going through a full resume of fundamental exercises. These included the wave drill, in which a wave of pass defenders practice getting down field without losing sight of the offensive quarterback.

And this week? Hard contact work. Coolidge points for Sept. 22 opener with Madison.

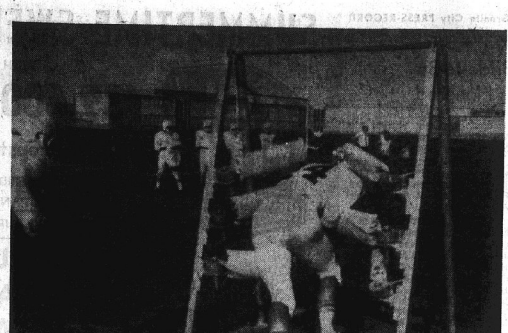

## World Champ Mosconi Due Here Oct. 5 In Cue Show

Wille Mosconi, born at the turn of the century and still a world champion in billiards, will be the attraction Oct. 5 at the Tri-City Cue Center, 705 Madison avenue, Madison.

Mosconi is on a cross-country tour preliminary to the World Championships at Johnson City, Ill., Oct. 21.

Tri-City Cue Center manager, Walter Ziegler said the famous cue artist will give a one-hour exhibition and a two-hour instruction course. Admission is \$1.

Mosconi will cue up at 8 p.m. and then work from table to table on Tri-City's 13 green felt arenas. Ziegler, who just installed five new tables downstairs, said Mosconi has been seen to pocket 326 consecutive ivory in 141 straight pocket billiards. He's also three-cushion champ.

**THE BLASTER**, newest addition to the Warrior coaching staff's armamentarium of practice devices. Anchored firmly to the ground, the device's six arms exert a terrific force and players must actually "blast" through it or be squeezed or thrown backwards.

... and Even "The Blaster" Creaks and Moans

## Aches, Pains, Ankle Sprains; Warriors in Hard Scrimmages

"Don't pass protect! Hit him! Good dog-fighting! Let's see that Monsterback come in there!" These were the sounds, cries and yells as Granite City high's Warriors got practice into high gear over the weekend.

When tomorrow's first full-scale afternoon practice unfolds the Warriors will be well-accustomed to hard body contact work, including scrimmaging.

"We've had a lot of blisters, sore arms and legs and Charlie-horses," Head coach Jim Morrison said, surveying the practice field full of busy Warriors. But it's to be expected. This is a hard time, this is when we find out who wants to play football, he commented.

Two Sessions The routine following opening day has been a two-session pattern, the morning practice starting at 8 a.m. sharp and lasting until 10:50; and the afternoon practice beginning at 3:30 and going to 5:30—and, on some evenings, later.

If one thing characterizes Morrison's newly reorganized practice session it is that no one is ever found idle. The field is a scene of intense activity.

Much of the work is done in specialized groups, with Morrison roving from one to another, as each coach puts his boys through their paces.

Unit Workouts Defensive line coach Tom Wyrostek, working with offensive tackles and defensive linemen, will be observed putting his charges through rough one-on-one blast blocking.

At another point is offensive line coach Stan Wojcik, with guards, centers and defensive linemen, including linebackers. Here it will likely be three-on-three blocking techniques—an offensive center and two guards hard-hosing it with a defensive center flanked by two linebackers.

Live pit drills? This is a part

of end coach Russ Chappell's routine with his line flankers. Stepienmier and defensive backfield mentor Gordy Gahbreath work a lot in timing-up routines. Here, automobile tires menacingly represent defensive line positions.

Putting up from inside the end, a stand-up dummy gets bowled over again and again as the backs work out plays and intricate timing of ball handoffs.

And everybody works on "The Blaster." At "No. 5 pressure" and, unless hit straight-on and hard, can leave a football player caught in embarrassing positions.

Then it's scrimmage time—two offensive units alternating on a defensive squad that gets new blood fed into it at regular intervals.

Spectators, team managers and exhausted and injured players populate the sidelines as all six coaches direct traffic.

Chokkia? Probably only the ball hard but right at them."

## Mercer Juniors Finally Stopped In Khoury Event

Granite City's Mercer Juniors were in a generous mood Saturday as they were eliminated 6-4 in Junior Khoury Tournament action by a scrappy Ballwin club at Fairgrounds Park.

Roger Coakley had two of the team's hits and Bob Johnston and Steve Conway had the other two safeties. The Juniors committed five bobbles.

It was only the fourth loss in 42 games for the team this year, beaten only by Ray Rixman twice and Southwest Kiwanis once before Saturday's loss.

"They were just a little overconfident," said manager Clarence Henry. "We were hitting the ball hard but right at them."

## Credit Union Scores Khoury Tourney Win

Granite City's Steel Credit Union scored another victory in the Khoury Tournament yesterday, beating Kirkwood Clubs, 5-3, and now faces the Oakland Rams at 8 p.m. Wednesday at Carondelet Park in the first of a best two-out-of-three series.

Singles by Larry Anderson and Rick Reutenbach, a double by Rick Whitsell and Mike Podoba's triple led to three runs in this yesterday.

The game ended at this point since an agreement existed that no inning could start after 6:00 p.m.

Credit Union hurler Jim Campbell, striking out 13 in his routine-gone performance.

## Grid Chiefs Earlybird It As Prather's Drills Begin

Coaches Ray Fyalka and Al Sonnenberg have made early birds out of Prather junior high's eighth and ninth grade griders. This morning's practice started at 7:45 a.m. and tomorrow the Chiefs will report at 7.

Such doings are nothing new for the 34 eighth and ninth grade griders who've been hard at work since last Wednesday. The coaches expect the squad to swell by another five or eight players as school starts. On Wednesday, practice switches to a regular 4-6 p.m. basis.

Three-point stance, shoulder blocking, defensive block protection, cross body block—these are more familiar now after long periods on fundamentals last week, all in full pads.

Conditioning was also an important part of the Prather practice drill as the Chiefs went to morning sessions last week. Fifteen-minute sessions of short 25-30 yard sprints, hands and knees crabbing and agility drills all had the youngsters "hitting the sack" at an early hour.

First Game Sept. 23 "Practice has been short," Sonnenberg explained, "and a mainly an exercise in gym and work—a lot of moving back and forth and getting used to cleats and quick moves."

"We kept them to five to seven-second sprints," he said. "The Chiefs open Sept. 23 with Bethalto, a fact coaches Fyalka and Sonnenberg will be impressed on Prather's grid gladiators as this week's sessions get tougher and tougher."

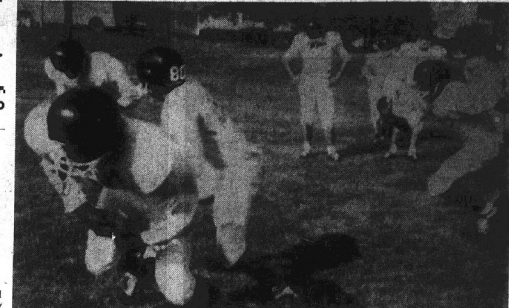

## Jaycees Top Tigers in Little League Playoffs

Jaycees defeated Ponton Tigers 10-7 at Ponton Beach Saturday afternoon to take the Namook-Ponton Little League baseball playoff title. The Tigers had captured season honors with a 12-1 record to the Jaycees' 11-3 mark.

Charles Creath won with a four-hitter and Charles Rollins and Dean Barton hit home runs for Manager Herb Strickland's Jaycee team. The league includes nine through 12-year-old players.

Punt, Pass and Kick Event Set for Oct. 9 This year's annual Punt, Pass and Kick event, sponsored by Ford dealers, will have as its chairman Dick Yates, Granite City school athletic director.

It will be held on the GCHS football field Sunday afternoon, Oct. 9. The program will begin at 1:30.

## Madison Freshmen Gridders Start Today

## Trojans in Regular Afternoon Sessions As Drills Get Tough

Madison's football Trojans will begin their first afternoon practice today at 2:30.

Coach Pickering had 45 seniors, juniors and sophomores out for practice sessions last week but expects additions to the squad today.

Additionally, freshmen gridders will be checking out gear at Madison's school starts. On Wednesday, practice switches to a regular 4-6 p.m. basis.

Conditioning consisted of the usual push-ups, leg-lifting exercises and back-arching from the prone position, raising up on the helmet. A lot of groaning was heard as muscles unaccustomed to such rigid routines got into play.

Although actual practice began last Wednesday, Friday was the first day the Trojans wore full pads. Following the conditioning, squads were broken up into units.

Coaches Charley Stepien and John Logan worked with the linemen, including ends. Here it was a series of sprint drills, shoulder rolls and belly flops.

Toughest of these were the shoulder rolls, where linemen charge, roll completely over on the right shoulder, get up and roll over on the left shoulder, with appropriate yelling and growling.

Crabbing, consisting of quick movements in all directions while down on hands and knees, was also included.

in the afternoon for more concentrated conditioning and work on fundamentals.

Head coach Pickering and coach Joe Asperger worked with the backfield. The two-man blocking sled got a lot of action. One other interesting drill routine here, was the defensive backfield drill.

Working in lines of six players, the backfield men charge down field eyeing the coach over their shoulder. On a whistle, they do a running inside pivot. Their eyes never leave the coach, representing an offensive quarterback.

Dummies "Benched" Later, in the sessions that ran from 9 until 11:30, the backfield ran plays into hand-held stand-up dummies.

Still later, a complete 11-man lineup faced a "defense" made up of hand-held dummies, as Pickering directed the boys to get their "test" of working as a team unit.

Today, dummies will likely ride the bench, as real humane contact work begins at Trojanland.

## Four Teams Suffer Second Losses Last Night

## 16 Teams Still in Running For Park Labor Day Honors

The Eagles' swan song came at the hands of Community Heights' Beis in another game last night, 16-6. The Eagles scored five runs in the seventh, with Black with two homers and Rich Udey, Dale Maxville and Charlie Jacobs with homers had helped build the big lead.

Granite City's Steel Metal bowed out when Rocky Realy trimmed it 11-7 last night. Ron Mearns had a homer and Garfield had three hits including two doubles to lead the winners.

Don Partney homered for the losers.

Saturday night's action included Falstaff's 15-3 over Community Heights, Bob Gartin had two homers and Don Dingworth had two doubles to lead the winners.

Falstaff scored nine runs in the third inning. Charles Jacobs had the losers' only homer.

Buzz's pulverized Rocky Realy 7-25 Saturday. Joe Mikol had three homers, Marvin Singler a pair of homers and "Jo Jo" Le Hammmeier and George Sedars each one homer in the winners' 31-hit barrage. Charles Tracey homered for Rocky.

Liberty Home pounded Branding's Service Station 20-3 Saturday. Eddie Modrusic powdered two homers and John Meaki and Norm Meyers each hit homers in the winners' 23-hit effort. For Branding's Denny Rheoderich's triple was the standout.

Sammy's Tavern won 11-4 Saturday night over Blast Furnace. Barry Karandoff had a triple and double, and Joe Fanning landed two doubles. Terry French doubled and tripled and Mike Blechle hit two singles for the losers.

Friday Action John Michaels homered, Ron Grzywacz doubled and Ralph Chapman, Jerry Medlin and Rich Demaree each singled twice in Falstaff's Friday night 7-3 win over Zips. Don Tesko's two doubles sparkplugged the losers' efforts.

Carl Alfred was four-for-five, Garfield Horn homered, tripled and singled and Charles Mosby

tripleled twice as Rocky Realy dumped West Side Flyers 16-7 Friday night. The losers had 15 hits, all singles except Derris Wolf's triple and Melvin Osborn's double.

Mexican Honorary's 11-4 victory over Dog'n Suds Friday night featured three homers, one each by Sonny Antoff, Andy Basarich and Joe Gonzales. Danny Mezey had a homer and Bill Evans a double and triple for Dog'n Suds.

Rick Stanton smacked two homers while teammates Bill Seago and Mike Sikora netted single base-circling blows as Club Delmar pounded Jacobsmeier's 11-1 Friday night. For the losers, Carl Linhart homered and John Palchick hit two triples.

Thursday Night Games Coachite vs. Steel Systems club, Mike Lewis, Donnie Healy and Nick Jakich each hit homers as Dog'n Suds won a 2-3 opening tournament at Falstaff.

Seebold, Rockies Win 1-Hitters in Boys' Event

## Two One-Hitters As Three Area Teams Win in Tourney

Granite City Parks' 29-team third annual Invitational Boys' Baseball Tournament ended yesterday with three of the ten area teams taking honors. Two of the wins were one-hitters.

Paul Seebold Concrete scored its third tourney triumph in taking this year's Juvenile crown. B.E. Lumberjacks, drawing a first-round bye, took the Atom title and Local 16 Rockies came home with the Midget victory.

Granite City Eagles, who had beaten Hazelwood Flaming Pit 10-0 Saturday, became B.E.'s opponent yesterday. B.E. had beaten Chokio 7-0 after Chokio's trimmed Hazelwood Goldies 13-0. For B.E., Kirk Champion, the winning hurler, had a double and a single. John Pritchard homered and Dave Harrison doubled as they piled up seven runs in the sixth and seventh frames.

Mark Seago had two singles, Timmy Frost a triple and single

and Keith Lucas a double and home run to pace the Jokers'.

Bantam Games  
Florisant Seirich, which had eliminated Granite City Optimist 7-0 Saturday, took the Bantam crown. Armbruster St. Ann beat Alhambra 13-2 but lost 9-8 to Seirich.

East Alton trimmed City Belle more Toy-Sporting Goods 3-1 and Stanton Stein lost to Granite City Lybarger Material 11-10 in a thrilling nine-inning game.

Then East Alton beat Lybarger 16-8 in the semi-final before bowing to Seirich yesterday.

One Hitter  
Local 16 Rockies beat Chokio 10-0 Saturday. Local 16's winning pitcher, Steve White, tossed 10 innings, allowing only one run and one hit.

Overland Grillo had beaten Overland Deaton 4-0 while Overland Rangers downed Granite City Grand Cafe 16-2, and then Grillo beat the Rangers 16-12.

Alan Hagnauer had 14 strikeouts for Local 16 and surrendered one hit in the Rockies' 5-0 victory over Grillo. Ned Tapp and Mike Wilson homered, Jeff Monyer and Dennis Kunemann doubled and Donnie Harris and Gary Strich singled in the Rockies' victory.

Seebold Concrete scored its initial win over Pageland 2-1 Saturday and downed St. Louis Lombardo 8-6 after Lombardo had won 5-0 from Wood River Gems.

Overland Zykanas had trimmed Madison 8-4 while Granite City Mercer was losing 7-0 to St. Louis Southside. Zykanas came back to beat Southside 3-0.

Jim Becker struck out 10 in his 3-0 one-hitter for Seebold. Gary Simpson singled as Seebold scored once in the second, and Roger Laws' double led to the other runs in the sixth. Seebold had a 31-3 record this year.

MORE ABOUT

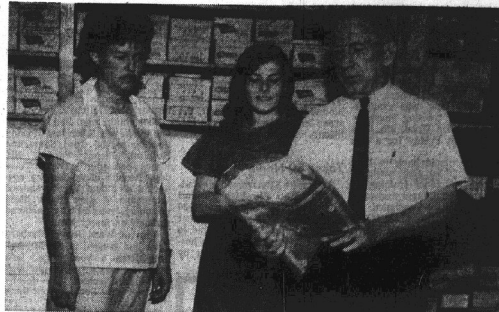

## Johnson Park

Carnes, Rev. Carl Johnson, pastor of the Peace Lutheran Church, Granite City, offered the invocation.

Expressing appreciation to Mr. and Mrs. Steele, Joseph McCain, board chairman of the Eagle Park Association, said a number of Granite Cityans have shown concern for problems in the unincorporated community, including assistance in establishing water and gas lines and street lighting. "The association intends to make a first class park of the donated tract, one which will make the donors proud," he added.

Maurice S. Harris, Madison county EOC program director, outlined anti-poverty projects to be undertaken in the area within the next 12 months and urged residents to discuss needs with his office. He was accompanied by David Walker, assistant director of the Tri-Cities EOC office.

Other brief remarks were made by Hugh Hairston, Madison county EOC vice-president and one of those responsible for establishing the commission, and Irvin State, a Granite City lawyer, who assisted in the legal phase of the property transfer. Also introduced by Johnson were Carl Carnes, association secretary and Herman Smith, vice-president of the improvement group.

## Mercer On Win Track Again; Mitchell Split, Hearts Lose

Mercer resumed its winning ways yesterday at East Alton in a 4-2 win.

Mitchell A.C. picked up ground, too, in a split with Troy but lost 8-2 at Wilson Park in a game with Maryville.

In other action, Harper beat Collinsville 6-4 and Pochontash trimmed East St. Louis PAVY 8-4.

Double Steal  
East Alton took a 2-0 lead into the fifth in the game at East Alton when Mercer scored three times. Larry Ripka walked, Terry French singled and "Jo Jo" Johannigmeier reached on an error to load the bases.

Rich Branding singled to score two runs and then Johannigmeier scored on a perfect double steal.

French opened the ninth with a double and scored when Bob Jones also turned the double trick. The game found Troy striking out six and walking three.

Mitchell Games  
The Mitchell opener at Troy was highlighted by Tony Root's third-inning grand slam. John Corrie had reached on an error, in

Rich Lee walked and Dave Sparks was safe on another bobble before Root cut loose.

Joe Fanning walked in the fifth, stole second and scored on an error as Mitchell pulled within one run of Troy.

In the ninth, Sparks singled and stole second but was out on a fielder's choice. Then Root fanned and Lee Corey singled.

Fanning walked and all three scored on Marvin Rezak's double.

Bob Bixler walked, John Corrie walked and Lee walked to force in Rezak. But Troy finally quitted the rally.

Seven Inning Game  
The second game, a seven-inning affair by mutual agreement, started with Lee walking. Sparks singled and Lee scored when Root hit into a fielder's choice. Lee doubled in the third and Root hit safely again to score Mitchell's final run.

In this point Mitchell led 2-1 but a single, error and triple in the fifth and another error and double in the sixth accounted for two runs in each frame in spell Mitchell's doom.

The loss of Frank Hyde, who Corrie had reached on an error, in

regular outfielders and the regular catcher who were missing played a part in the Hearts' loss to Maryville.

The only scoring for the Hearts came in the second when Jim Croemer was safe on an error and Bill Riehl and John Raine hit back-to-back singles.

Maryville's Jim Bollman held the Hearts to one extra-base hit, manager Ed Opich's eighth-inning double.

### Takes 30 Nerve Pills

A Granite City woman was admitted to St. Elizabeth Hospital Thursday after taking about 30 nerve tablets in an apparent suicide attempt. She was said to be in fair condition at the hospital, where she was taken by her husband.

### Barbara Nicholls, 7, Dies; Former Resident

Funeral services were held Thursday at Ina, Ill., for Barbara Jean Nicholls, seven years old, daughter of Mr. and Mrs. Ernest Nicholls of Bonnie, Ill., formerly of Mitchell.

The child, who had been ill one week, was taken last Monday evening to the Good Samaritan Hospital, Mount Vernon, Ill., where she died at 1:25 a.m. Tuesday. Results of an inquiry conducted at Mount Vernon showed the cause of death as blood poisoning, possibly incurred through an insect bite.

Born at Wood River, Barbara Jean had resided in the Mitchell area from a young age. Last year, she was a first grade pupil at Mitchell school. The family had moved to Bonnie about three months ago.

Besides her parents, she is survived by six sisters, Mrs. Mildred Williams of Mitchell, Miss Sharon Nicholls, Granite City, and Ruth, Roberta, Rosemary, Marilyn Nicholls, all at home; three brothers, Charles, Lloyd and Louis Nicholls, all at home; and her paternal grandmother, Mrs. Flora Nicholls of Granite City.

### Federal Program at GC Schools

## Project Liftoff to Begin First Full Year This Week

"Project Liftoff," a four-facet federally financed program to provide developmental remedial services to kindergarten through third grade youngsters, in conjunction with a project to "Project Head Start," will get underway this week at four Granite City schools.

Despite the absence of confirmed approval from federal authorities regarding the total amount of funds to be allocated to the local school district for implementing the program in 1966-67, Granite City school officials have agreed to allow the program to proceed.

Bob J. Davis, assistant to the superintendent, has reported that \$38,000 in federal funds are anticipated. The remainder of the project, which has been sent and concrete approval may not be received until late this year. However, verbal assurance has been obtained on salaries and other basic costs.

Earlier this year, the Granite City school district sought federal funds amounting to \$71,000 for Project Liftoff. Only partial approval of the extensive program was received and the amount of \$63,757 was granted to start the project. Subsequently, the remedial program was carried out on a limited basis from

April to the termination of the 1965-66 school year.

**Portable Rooms**  
Local school authorities informed M. D. Clinton, area consultant for Title I funds under the 1965 U. S. Elementary and Secondary Schools law, that insufficient classroom space would prohibit the program's continuation this year. A further federal grant of \$65,800 was later authorized to purchase eight portable classrooms for the program.

Portable classrooms have been installed at Logan, Washington, Webster and Emerson elementary schools, with a full staff hired to direct "Project Liftoff." Mrs. Ruth Lahr will coordinate the program, with administrative headquarters at Logan school.

Each of the four centers will be staffed with one remedial teacher, one pre-school teacher, one counselor and one nurse. Davis added that an estimated 600 pre-school through third grade youngsters will participate in the remedial-developmental program.

Unlike several current projects subsidized with federal funds, Project Liftoff is not restricted to disadvantaged children. Participation is open to any child in need of the special services who attends regular school sessions.

**Four Elements**  
Project Liftoff encompasses four specific program areas: developmental-remedial; health; guidance and counseling; and pre-school.

Goals of the developmental program are to identify pupils with reading and/or learning difficulties in the very early school years and assist them, thereby avoiding future academic frustration, failure and possible dropping out of school before high school graduation.

Referrals for this program will be made by kindergarten through third grade teachers, based on teacher-testing and observation. Pupils who have attended Head Start programs may be referred to Project Liftoff as an extension of their previous experience and training, Davis said.

Enrollment in classes will not exceed 15 children per class, with separate morning and afternoon sessions held. Participating pupils will continue with their normal school routine when not attending the special classes, Davis said.

Presently, remedial reading classes are conducted for fourth, fifth and sixth grade students in Granite City schools. However, many educators believe that difficulties can be better overcome at an earlier stage in school life.

**Health Program**  
Insufficient funds will preclude the establishment of the full medical and dental health program outlined in the original project proposal.

However, school nurses assigned to Project Liftoff will set up a screening program for vision and hearing problems, with appropriate referral and follow-up measures instituted.

In cooperation with another remedial program, screening for early symptoms of emotional health problems will be undertaken. An effort will then be made to ameliorate these problems before they become deep-seated, with the cooperation of psychologists and the local Mental Health Clinic.

Nurses assigned to Project Liftoff also will be available to other students in the four schools, Davis said.

In the original request for federal financial assistance, local school authorities applied for \$2133 to conduct physical and dental exams and dental care for the entire school year.

The cut in the appropriation necessitated elimination of this portion for the present.

**Guidance-Counseling**  
Guidance and counseling personnel will coordinate the work of the teachers and other specialists, supervise the testing program and system of guidance records and assist in "in-service" development programs in guidance.

The counselors will coordinate the efforts of teachers and parents through conferences and meetings.

They also will provide personal and group counseling; assist children with severe problems requiring specialized help; maintain liaison with community service agencies and organizations; and, in general, see that available resources are used to the greatest possible degree in fostering satisfactory adjustment of the children in the schools.

### Pre-School Program

In explaining the prime objectives of the pre-school program, Davis said that economically disadvantaged children are handicapped in many ways when they come into contact with the accepted values of other children in public schools.

To aid in making this adjustment with this handicap when suddenly confronted with a formal school situation, unless a proper adjustment can be made in the transition from home to school environment.

Davis explained, the pre-school program offers individual attention from teacher, nurse and counselor; individual exposure to positive experiences; an opportunity to participate in creative activities; a feeling of acceptance; gaining skills in communications; the self-realization of worth; and a firm foundation for the later development of basic skills in learning.

Pre-school teachers will instruct and guide the children in personal cleanliness, oral expression, processes of law, in violation of two sections of the U.S. Bill of Rights.

**Overall Goals**  
Goals of the program include the ability of the program to provide self-confidence and feel secure in school, be courteous and care for materials, follow directions, complete a task, observe proper health habits and develop conversational skills.

Referring to the pre-school program, Davis said enrollment and registration for each morning and afternoon class has been referred to the program director by school principals and public welfare agency personnel.

A number of Head Start pupils not eligible to begin kindergarten this fall also are included.

Davis reported that teachers who directed the limited version of Project Liftoff earlier this year were enthusiastic about the response of their pupils. However, he added, the program was in operation for only seven weeks, not enough time to fully evaluate its potential.

## Madison Sued For \$55,000 on Razing of House

A damage suit seeking \$55,000 actual damages and \$40,000 punitive damages was filed Friday against the city of Madison, Mayor Stephen Maeras and others on a charge that a house under construction was demolished by city on orders of the mayor.

The plaintiffs are Herman, Paul and Opal Katmann of Madison. Other defendants are Mike Sasyk, Peter Skundrich, Wilbur Wagner, Equipment Rental & Excavating Co. and W. L. Waggoner Trucking Co., all of Madison.

The complaint alleges that last Feb. 8 the city and the defendants intentionally demolished a house and hauled away stone and 15,000 bricks stored on two lots at the construction site to be used on the house.

The Katmanns claim the defendants violated the criminal laws of the state and deprived them of their property without due process of law, in violation of two sections of the U.S. Bill of Rights.

**Notified Afterward**  
The complaint alleges that no attempts were made by the defendants to afford the Katmanns due process of law, that no notice was given of any hearing and that there were no petitions by a court for leave to demolish, nor any city council hearings at which demolition was discussed, and that the only notice given was made after the demolition had taken place illegally.

The plaintiffs also charge that the defendants wrongfully and deliberately clouded the title to the real estate by causing "a spurious and illegal claim for money to be filed with the recorder of deeds, which purports to create a lien on said property prior to all liens except that of taxes."

As her share, Opal Katmann seeks \$5000 actual and \$10,000 punitive damages. A jury trial was asked.

## 2 Mobility Equipment Employees Get Awards

Two Granite City residents received cash awards for their suggestions as employees of the U.S. Army Mobility Equipment Command, St. Louis, it was announced Friday.

Charles F. Kennerly, 2508 Sheridan avenue, received \$25 for his suggestion which resulted in a building improvement at the Granite City Army Depot. He is employed in the Troop Support Equipment Division at the command.

Thomas C. Fry, 4023 Braden avenue, received \$15 for his suggestion concerning a shipita procedure at the Army Depot which represents an annual saving of \$10,564. He is employed in the command's Surface Equipment Division.

Presentation of the awards was made by Brig. Gen. Thomas B. Simpson, commanding general of the Mobility Equipment Command.

## Seasonal Increase in Transit System Service

An increase in bus service on Illinois lines became effective today and a similar increase on Missouri lines will take effect Tuesday, Sept. 6. It has been announced by Bi-State Transit System.

This is the regular seasonal change in schedules made each year to coincide with the opening of schools and generally increased business activity.

These changes will affect practically all Bi-State routes with the exception of express lines. New pocket-size timetables and maps on the lines affected are now being distributed on the buses and by mail. They may also be obtained by writing or calling Bi-State Transit Information Bureau, Prospect 51120.

## Seven Arrested Friday For Disorderly Conduct

Six men and a woman were arrested at 4:30 a.m. Friday at 51st street and Edison avenue on disorderly conduct charges. They were released on \$25 cash bail each pending hearings set for tomorrow.

They are Barbara Gadberty, 23, St. Louis; James Vance, 27, of 2500 N. Main road, Robert Peters, 25, of 2044 Lincoln avenue; Nathan Barvor, 25, of 2223 Edison avenue; Jack Calahan, 26, of 2223 Edison; Charles Hopkins, 22, of 2223 Edison; and Charles Ote Edwards, 33, of 1437 Madison avenue.

## Licenses Suspended

The Illinois Drivers License Division today announced suspension of the licenses of two Madisonians, each action being based on three recorded traffic violations. They are Theodore J. Nizinski, 1430 Third street, and Clarence E. Popischal, 1847 Collingsville avenue.

**ARMY DEPOT AWARD WINNERS.** Left to right are Mrs. Betty D. Ebling, Frank L. Roderick, James L. Wilson, Edward Woods, Theodore Porter, Harry E. Bloodworth, Miss Nancy Riecken and Major Waldo Adams, director, Directorate for Maintenance, who made the presentations.

## New Group of Award Winners at GC Depot

More Granite City Army Depot employees from the Quad-Cities have been rewarded for their ideas and the superior manner in which they perform their duties.

They are: Mrs. Betty D. Ebling, 3305 Franklin avenue, outstanding performance award; Frank L. Roderick, 2223 Benton street, sustained superior performance award; James L. Wilson, 2033 State street, sustained superior performance award; Edward Woods, Rural Route One, suggestion award; Theodore Porter, 1106 Douglas street, Venice, sustained superior performance award; Harry E. ## Beer Glass Hits Window

Mrs. Kenneth Whaling, 2803 Edwardville road, reported at 7:35 p.m. Thursday that someone had thrown a beer glass through the side window of her home.

## Parked Auto Struck

An auto owned by Carl L. Petty, 2425 Hodges avenue, parked in front of this home, was struck in the left rear by another driven by Larry D. Bridges, 2819 Indiana avenue, at 11 p.m. Thursday.

## Hit-and-Run Accident

Melvin Herr, Florissant, Mo., reported at 6:45 a.m. Friday that the left rear fender of his auto was struck by a hit-and-run car while parked at 20th street and the railroad crossing while he was at work during the night.

## Vandals Damage Car

Two separate cages of vandalism, both occurring after midnight Thursday, were reported to Madison police Friday morning. Mrs. Phyllis Lamsaw, 1947 Iowa street, reported the left rear window of her car was broken out, apparently with a rock. Eula Lively, 1677 Fourth street, said the left rear window in her car also was broken out, apparently with a rock.

## Rink Money Earns \$17,982 Interest

Interest money continues to accumulate from treasury bills and notes purchased out of the Granite City ice rink bond sale. Interest alone will wipe out \$17,982 of a \$31,581 deficit that occurred when bids outlasted the \$425,000 set aside for the construction phase of the project.

The \$475,000 voted in the bond issue earned \$5005 in bank interest before the securing of treasury bills and notes was completed; \$460,296 was invested in government paper and scheduled for staggered maturity to coincide with the construction phase of the project.

PICTURE FRAMES: CUSTOM MADE. G. C. GLASS CO., 18th EDISON.

## incide with rink obligations.

As an example, an \$11,000 treasury bill matured after one month for \$40 interest; another investment in two months for \$37; on Sept. 15 a \$30,000 bill is maturing for \$385 in interest; and on Oct. 13 a \$60,000 bill will net \$556.

In all, \$12,878 will be earned from treasury bills and notes

## Plat Accepted for Addition To Quiet Valley Subdivision

Pontoon Beach village trustees accepted a 26-lot plat for proposed construction of the first addition to the Quiet Valley subdivision and heard a report on completion of street improvements in the village area at a regular meeting Thursday evening.

The new housing addition, to be built by A. R. Cooper, lies east of the present 40-home subdivision, which is east of Highway 111 and south of the Pontoon road intersection. Eventually, 170 homes are planned for the housing development.

Village President Thomas Stalcoff reported application of oil and rock chips to village streets has now been completed with the exception of those in Lakeview Estates. He commented that all village roads appear to be in good condition for the winter months.

### Clogged Drainage Ditches

At the request of a resident present at the meeting, Stalcoff agreed to check with Charles Hanks, Namook Township highway commissioner, on possible measures to clear clogged drainage ditches situated near South and East Lake drives.

Contract for purchasing four 700x14 tires for the village police car was awarded to Jet Fite Pina Service Station on a low bid of \$56. Other bids ranged from \$96 from Mitchell Shell Service and \$115 from Fahnester Tire Co. Questioned by trustees, a representative of the Jet Fite station said the tires were four-year-old with a lifetime guarantee.

In other action, the trustees approved a request from Madison County Young Democrats to hold a three-day homecoming festival Sept. 9, 10 and 11 in the village area.

The board also authorized granting of a liquor license to the organization for the duration of the celebration.

### Health Law Crackdown

Village Marshall Douglas Harvey reported that court proceedings will be instituted against those residents who have failed to comply with the village health ordinance.

He said that several householders, who have been warned numerous times to clear up unsightly and unsanitary conditions adjacent to their homes and have not done so, will be charged by the village officials.

Village health regulations state that those convicted of committing a public nuisance may be fined up to \$100, with a similar fine to be imposed for each subsequent offense.

A spectator asked if action also could be taken to compel a Westgate drive resident to move a large deposit of old building materials, which the complainant said had been stacked in the same location for nearly three years. He added that numerous rats have been observed around the lumber pile.

Trustees authorized payment of \$12 each to Floyd Ridgeway Jr. and John Johns, who had been hired by the village to cut weeds in the area of the Quiet Valley sewer system lagoon at an hourly rate of \$1.50.

### PROGRAM ON VIETNAM

The Faith Chapel General Baptist Church will hold a public missionary meeting Tuesday evening at 7:30 p.m. James Radford will show slides taken while on special duty in Vietnam. The public is being invited.

Mr. and Mrs. Herman Smith were host to 25 young people of the Faith Chapel General Baptist Church Friday evening on their farm near Worden. A winter roast was enjoyed.

**Maryville Road Routes**  
Should alternate routes be required on some school bus runs, due to the Maryville road construction project, Supt. Russell D. Johnson said that it may be necessary to establish several alternate pickup areas.

But routes which may be affected if Maryville road is inaccessible, include 9 and 17 to the senior high school, and buses 18 and 21 to Coolidge junior high school.

If alternate routes are necessary, Maryville road buses 17 and 18 will turn off Ponton road, travel along Vine avenue, turn right on Miracle avenue, and go left on Orville avenue, and go left on Orville avenue, and go left on Orville avenue. Pupils assigned to bus routes 9 and 21, who live on Morrison road between Maryville road and Warnock avenue, will catch their buses at the corner of Morrison road and Warnock.

The contractor on the road construction project will attempt to make Maryville road accessible to the school buses. In the event this cannot be managed, the alternate routing will go into effect temporarily.

### Doizauer Infant Born

**On Mother's Birthday**  
Mr. and Mrs. Earl G. Doizauer, 3232 Wabash avenue, are announcing the birth of their second son Friday at St. Elizabeth Hospital. The infant arrived on the birthday of his mother, the former Miss Marie Manguso of St. Louis.

He has been named Dale James and weighed nine pounds, eight ounces. His brother, Donald, is eight years old. Paternal grandparents are Mr. and Mrs. Arthur Doizauer of Columbia, Ill., and maternal grandparents are Mr. and Mrs. James Manguso of St. Louis. The infant's father, an assistant vice-president at First Granite City National Bank, is active with the Granite City Jaycees.

### Legion Post, Unit Install Officers

American Legion Post 113 and its Auxiliary held a public installation of officers Saturday evening, followed by a dinner dance. About 175 were present.

The post officers are Wilbert Nieper, commander; Herbert Strickland, senior vice-commander; Hugh Oglesby, junior vice-commander; Don Short, adjutant; Abner Branding, chaplain; Burt Harris, finance officer; Dan Smith, sergeant-at-arms; and Frank Toth, executive board member.

John Tempo served as installing officer and Ernest Venne was installing sergeant-at-arms. Those taking office in the women's organization were Pauline Birks, president; Esther Harris and Kitty Morris, first and second vice-presidents; Loretta Goeller, secretary; Helen Qualis, treasurer; Melba Wade, historian; and Alma Klaus, chaplain.

In charge were Mildred Rees, installing officer, and Lumeta Durbin, installing sergeant-at-arms.

### Woman Charged Twice

Rose Wilson, 32, of 944 Niedringhaus avenue, was arrested at 10:40 p.m. Thursday at her apartment on charges of disorderly conduct and profanity. She was released on \$50 cash bail pending a hearing.

### Civil Air Cadets End Two-Week Encampment

The Illinois Wing of Civil Air Patrol held its annual two-week encampment through Saturday at Scott Air Force Base, Belleville. A total of 258 cadets from all over Illinois lived in Air Force barracks, learning a little of the life of an airman.

While at the encampment, the cadets received accelerated instruction in operations of the Military Airfield Command, Air Weather Service, Consolidated Aircraft Maintenance Services, Radar Approach Control, Air Services, Radar Approach Control, Air Police Operations and 302 Troop Carrier Group. They also were briefed on survival, water survival, firefighting and the USAF-CAP organization.

Cadets of the Granite City Cadet Squadron attending were Cadet First Lieut. Sally Smith and Cadet First Lieut. Donald Gravelle.

Lt. Gravelle during the encampment was promoted to the grade of cadet major and performed duties of cadet adjutant.

### New Officers Announced By Illinois Terminal

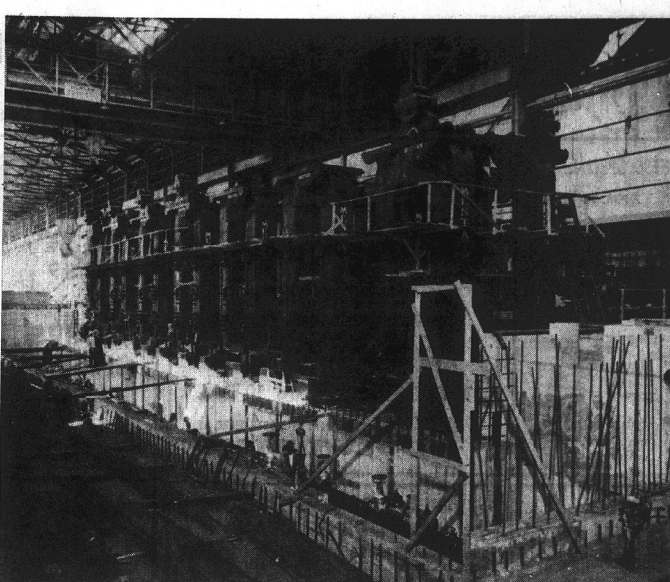

E. L. Keister, president of Illinois Terminal Railroad, on Friday announced changes in the officers of the company.

A. E. Anderson, vice-president, secretary and treasurer, has retired after nearly 32 years of active duty. At a meeting of the board of directors, Harvey D. Johnson was elected secretary and L. B. Rudloff was elected treasurer.

Keister also announced the appointments of W. F. Schaefer as assistant controller, and W. R. Dellman as manager, data processing. These changes in personnel are effective Sept. 1.

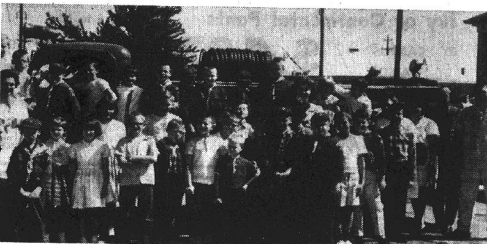

### Truck Backs into Auto

A Seebold Concrete Co. truck driven by Albert E. Paul, 1821 Edison avenue, while turning around, backed into the right rear fender of a parked auto owned by John K. Veizer, 1817 Pontoon road, at 12:05 p.m. Thursday on Felling road at the Alright cleaners building, near Nameoki road.

**HOT STRIP MILL CONSTRUCTION** at Granite City Steel Co. The view is south toward the seven-powerful finishing mill stands in the rolling mill building.

The stands are 18 feet apart. The rolls in these seven stands will be driven by a total of 61,500 horsepower.

**WEBSTER SCHOOL CUB PACK 20** as it toured the Granite City Army Depot last week. The group, accompanied by Depot Information Officer George E. Eubanks, toured the security division, the fire department and the black widow farm and took a bus ride around the Depot perimeter.

### Civil Defense 1st-Aid Instruction This Fall

John Becker, Granite City CD auxiliary police chief, announced today that interested citizens are being invited to participate in a first-aid training course opening Tuesday, Sept. 20, at the Granite City civil defense training center, 1411 Nineteenth street.

Registration will be held at the center the previous Tuesday, Sept. 19, when textbooks and other materials will be distributed. Although it is primarily designed as the initial phase of general training for new auxiliary police officers and civil defense personnel, the public also is being invited. More qualified Red Cross first-aid instructors are needed in the Quad-City area.

The training will include a standard first-aid course for beginning students, consisting of five weekly sessions of two hours each, followed with an advanced course. The latter will consist of eight weekly sessions, also of two hours duration.

The two courses will run concurrently, Becker said, with those completing both then eligible to take instructor's training. Sessions will be taught by Becker and Clarence Weaver, an auxiliary police officer; both are qualified Red Cross instructors.

**Two Wrong-Way Charges**  
Linda S. Thomas, 1420 Northwood drive, and John C. Haynes, 2251 Westchester drive, were arrested at 11:55 p.m. Thursday on charges of driving the wrong way on a one-way street in the 2100 block of Washington avenue. They were summoned for hearings by Sept. 10.

On Oct. 8th, Southern Illinois University will host Ainaid and its units for an annual charity football game at the stadium in Carbondale, preceded by a parade in downtown Carbondale in the afternoon. Over ten high school and grade school bands from this area will march in the parade. Lee Mace and his "Ozark Opry" will be on stage at the Ainaid Mosque in East St. Louis 16, sponsored by Ainaid's uniformed units. Ainaid's fall ceremonial will be Nov. 5 in the Temple at 698 St. Louis avenue. McLean and his Divan expect 150 candidates.

### Optimists Entertain Boys' Baseball Team

Members of the Granite City Optimist-sponsored boys' baseball team were honored Thursday afternoon during the local service club's weekly luncheon meeting. Thirty Optimists and their guests attended at the YMCA.

The young athletes were welcomed by Wilbur Tribes, president, who introduced the team manager, Jim Boone, coaches, Walter Milton and Ted Vrenick, and 11 players. The team competes in the Owen Friend banquet league at Wilson Park.

Other guests were Dr. Frank Bellonte and GC Park Supt. Harold Brown. The latter showed a sports film taken at the 1966 Master's golf tournament in California. Frank Rea and Donald Farrington were in charge of the program arrangements.

At this week's meeting, club members will view a movie, "The Land We Love," which outlines the U. S. Treasury bond program. John Bernard, executive secretary of the Associated Retailers and Civic Association, will be program chairman.

In the weeks to follow, the group will entertain local high school coaches and hear plans for establishing a workshop for the handicapped, discussed by Joseph Budde, director of Specialized Services center in Alton.

### Big D Lounge Closed, Loses Liquor License

Mrs. Gloria Fay Travis, 1307 Kirtland, has lost her license of the Big D lounge on Highway 162 near Granite City, voluntarily surrendered her liquor license to a sheriff's deputy Friday morning and locked the establishment.

About an hour earlier, she had appeared before Harold Landolt, Madison county liquor commissioner, and the liquor license committee of the county board of supervisors at the courthouse in Edwardsville.

Sheriff Barney Fraundorf said authorities had received numerous complaints from residents of the area about late disturbances.

### Former Venice Resident Buried at Fosterburg

Funeral services were held Friday in Alton for Mrs. Ellen B. Frankford, 82, Foster township, who died Aug. 24 at St. Anthony's Hospital, Alton. A native of Venice, she was a daughter of the late Harry A. Frankford of Fosterburg, and six grandchildren survive. Her husband died in 1951. Burial was at Fosterburg, Ill. Mrs. and Mr. John B. Allen, burg, Ill.

## Debrah Spengler Becomes Bride of Gary K. Forshee

Central Christian Church, 2020 Johnson road, was the scene of the wedding Saturday afternoon of Miss Debrah Lynn Spengler, a daughter of Mr. and Mrs. Murel L. Spengler, 2808 Adams street, and Gary Kent Forshee, whose parents are Mr. and Mrs. Benjamin F. Forshee, 2133 Amos avenue.

Arrangements of white snap drapes, pom poms and greenery provided the setting for the 2:30 ceremony performed by Rev. James R. Craddock.

Mrs. Verl Lewis was organist and a program of vocal selections included a solo, "Ich Liebe Dich" by Joseph Hanson; a duet, "At Dawning," by Mr. Hanson and Mrs. Joe Bihrey; and "The Wedding Prayer" by Mrs. Bihrey.

For her wedding the bride wore a gown of pure white linen fashioned with a scoop neckline and elbow-length sleeves. Both the bodice and neckline were etched with pearls and a back bow complemented the long slender silhouette skirt.

A cluster of roses held in place the bride's veil of illusion and she carried a cascade of white daisies and English ivy. Her father gave her in marriage.

The attendants were Miss Lynette Pettish and Terry Atchley, James Fortney, the bride's brother-in-law, and Frank Stodnick served as ushers.

Miss Pettish chose a floor-length gown of delf blue crepe with an Empire waist encircled with a green velvet band. The scoop neckline was set off by tescup sleeves and a cluster of blue roses held in place a bouffant veil. She carried a round ball of white daisy pom poms tipped in blue and secured at the wrist with blue velvet ribbon.

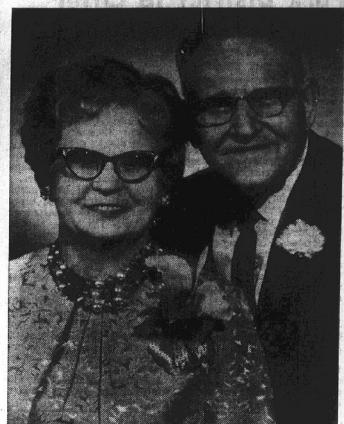

For her daughter's wedding Mrs. Spengler selected a textured two-piece dress of tulle and tulle with a lace bodice and beige accessories, while the bridegroom's mother appeared in a two-piece pink silk costume and accessories of pink. Both wore cymbidium orchid corsages.

A reception was held in the church Fellowship Hall directly after the ceremony. Among those assisting were Miss Gail Forshee, the bridegroom's sister, who was in charge of the guest book, Mrs. Fortney, the bride's sister, Miss Pat Sloan, Miss Lynn Craddock and Miss Cheryl Caperton.

The former Miss Spengler attended Eastern Illinois University in Charleston for two years, but plans to continue her education at Southern Illinois University in Carbondale for two years. The bridegroom attends Logan College of Chiropractic in Normal, Mo.

These photographs of Wilson said that in 1959 only 48 teams Park's summer boys' baseball participated. Despite the accelerated activity, this season found many communities in the nation might envy.

Over 800 boys participated in 803 ball games, with 138 volunteers serving as managers and coaches.

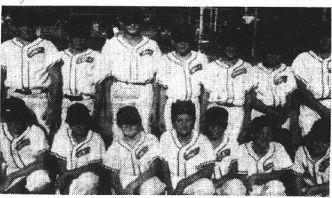

This year's program began on May 16 and ended Aug. 20, exactly as it had been planned. Rain interfered with only one week of play, and games were quickly placed into the regular pattern and made up.

Every one of the 69 teams, with the exception of four junior clubs played at least 12 games. Twenty-two teams played 13 games.

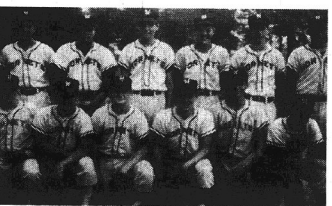

Last year, many teams played only eight games. Thus there was a major program expansion district's present facilities could even though only three teams handle 75 teams. "We increased were added in 1966. In addition, 14 teams in 1965 and three this there were league playoff games, year," commented Brown, "but Speaking of the program's I don't look for another increase growth, Park Supt. Harold Brown like that of 1965."

### 8 to Receive Teacher Education Scholarships

Eight Quad-City adults are among 29 Madison county residents who have been awarded teacher education scholarships for adults, it was announced today by Wilbur R. L. Trimpe, county superintendent of schools. The recipients will be honored at a ceremony, set for noon Thursday, in the Edwards Room at Sunset Hills Holiday Inn. Dr. John Schnabel, registrar of Southern Illinois University, will be the presentation speaker.

Two of the scholarship winners will receive their awards for having obtained the highest General Educational Development scores during the past year, along with their high school equivalency certificate.

They are Margaret Smelter, 5 Harrison street, and Ruth Farmer, 206 Grand avenue. Only 15 scholarships are allotted in the state under the Illinois school code GED section, Trimpe said, with seven of these won by Madison county residents.

Based on American College Testing scores, scholarship grants also have been awarded to five Granite Cityans and one Madison resident. The winners include Evelyn Eileen Parish Cross, 1623 Panton road; Sharon Sue Gusewelle, 2419 Pine street; Sandra L. Holzinger Palovich, 2438 Pine street; Marjorie Ann Iberg Schmidt, 2855 Lynch avenue; and Waldo Ernest Schellenger, 3202 Kilmer street, all of Granite City, and Philip J. Jett, 1807 Fourth street, Madison.

A total of 250 adult scholarships are awarded in the state under the ACT scoring system, Trimpe explained. He added, "For Madison county to receive such a large percentage of the Illinois speaks well of the outstanding and effective adult education program sponsored through local school districts."

### K. of C. Barbecue; Announce Activities

Tri-City Knights of Columbus Council 1008 held a barbecue Thursday night in connection with a short meeting in which announcements were made.

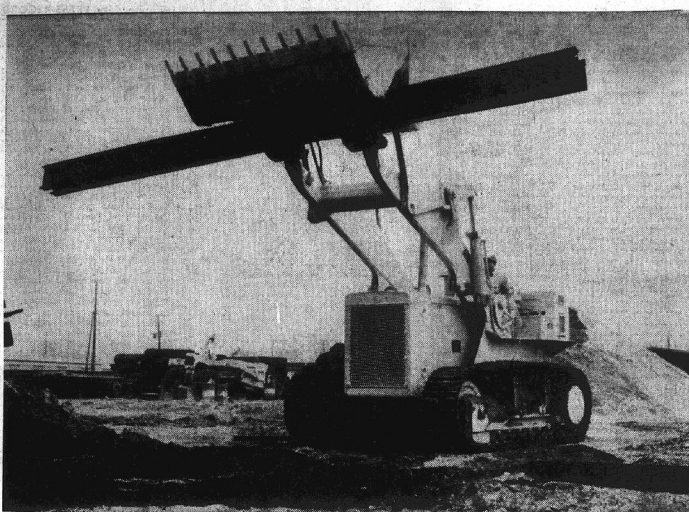

A barbecued lamb and pork steaks were served by a committee headed by Mike Schuler and Steve Seltich.

It was announced that the first degree of the order will be conferred on Sept. 8. The fourth degree assembly will have an officer installation on Sept. 21, to which wives are invited. A lunch and entertainment will be provided.

Reservations are being accepted for a dinner dance on Sept. 24. Albert Sanders announced that a meeting will be held at 4 p.m. Sept. 3 for members interested in forming K. of C. bowling teams to participate in the Catholic Men's League at 6:30 p.m. Wednesdays at the Tri-Mor Bowl. The season will start Sept. 7.

Named to the Visit the Sick Committee for the month were Robert McCormick, James Paterson and M. E. Bartosik. John Kazman, grand knight, conducted the meeting. McCormick won a prize.

**SECRET OF OPERATING** a construction business is to keep the equipment working. A. H. Seebold Co., Granite City, which normally does extensive railroad right-of-way work, keeps its machines and men busy with a variety of jobs when railroad construction is curtailed because of such factors as inclement weather. One of the new pieces of equipment, a loader, is shown hefting a girder at the company yard. It is used to handle cleanup jobs around the yard until it can be sent out on right-of-way work.

At Last! New Invention  
Helps You Hear More Clearly!

Called NORMEAR (Pat. Pending), this new scientific invention is offered exclusively in combination with the Beltone ANDANTE Hearing Aid. Used together they enable the actual ear to pick up sounds naturally while shielding out wind and background noises, as nature intended. Even if you've been told that a Hearing Aid won't help, you owe it to yourself to investigate the NORMEAR in conjunction with the Beltone ANDANTE. Come in, call or write for a FREE TEST.

Justice to some people is getting what they want—not what they justly deserve.

Friendliness is the man who tries to divide his acquaintances into assets and liabilities.
